Croom Construction ranked 87th in nation

By news release

Tuesday, December 8, 2009

Croom Construction Co., 1201 19th Place, Suite A400, Vero Beach, was ranked 87th out of 500 qualified builders nationally by Qualified Remodeler Magazine.

Each year, thousands of national contractors submit revenue data and compete for a spot on the list.

Croom established its renovations division in 1993. Since 2006, the division has moved up 10 places on the rankings.

The average employee has been with the company for more than 15 years. Croom was established in 1978.
